

To be released November 1, 2008 our very first Reserve!

Écluse 2005 Reserve Cabernet Sauvignon

Of the six vintages of Écluse Wines that we have produced we felt that only one wine merited the designation Reserve ; that was the 2005 Lock Vineyard Cabernet Sauvignon.

That wine was so extraordinary that we decided to barrel age it an additional twelve months and release it as our first Écluse Reserve.

This wonderful wine can only be described as soft and voluptuous. The classic deep garnet color and inviting nose leads you to a bold velvety richness that is highlighted by dense dark fruit and hints of coffee and chocolate.

Barrel aging for thirty months plus an addition seven months in the bottle has produced an elegant complex wine that is perfectly balanced with flavors that march through to a long lingering finish.

**So supple and lush
you will be left wishing for more!**

- **Only 107 Cases Produced!**
- **Available for Wine Club Members Only October 17th.**
 - **Six Bottle Limit —\$59.00 per bottle.**
